COMMUNITY INVOLVEMENT

At Roy Rogers, we strive to make an impact in the local communities we serve. It's part of our core values and the code we live by.

Our program is easy to implement and fun for everyone who participates.

Join us in our mission to make a difference in your hometown! Contact your Roy Rogers local store manager for details on how you can contribute to our worthy causes or set up a fundraising program in your community today!

Community involvement is essential to our success; we live here!

How does Roy Rogers community fundraising work?

- **Contact a Roy Rogers manager** to schedule your fundraiser.
- **Select your fundraiser date and time.** A fundraiser can be planned for a maximum of 3 hours, and the exact date and time is at the manager's discretion.
- **Create marketing materials** to promote your fundraiser. Please note: All materials must be approved by the Roy Rogers marketing team.
- Within 30 days following the event, you will be notified of the final fundraising total and payment timeframe.
- Roy Rogers will contribute 25% of your organization's receipts to your group, with a minimum of \$100 in sales.

Tips for promoting your fundraiser:

- Promote your fundraiser through flyers, posters, social media or public service announcements.
- Contact the Roy Rogers marketing team for official logos and flyer examples.
- All marketing materials must be approved by the marketing team before promoting the event.
- Ask your Roy Rogers manager how you can display a flyer in the restaurant.
- Be sure to advertise your event at least one week prior to the scheduled date.
- Encourage members from your organization to attend the event. The more members that attend the event, the more money your group raises. We ask that your group not solicit our Roy Rogers guests to participate in the fundraiser.
